Selectorized Lat Attachment

#### GS348Q

#### Series 7 Smith Gym System

This is the best Smith Machine setup you'll find.  
Consider these advantages over all other packages:

- 7-degree linear ball bearing smith carriage system
- Built-in Olympic weight holders
- 210 pound selectorized weight stack
- Multi-position front gun rack for free weight training
- Additional exercises to take full advantage of your weight stack: pecs, curls, legs, low row

#### Special Features

- Lifetime warranty
- Commercial grade construction combined with state-of-the-art biomechanical design
- Pec Attachment: Extra-thick arm roller pads and DuraFirm™ back pad make performing pectoral flies comfortable even with the heaviest weight
- 

*Assembled Dimensions 84"Hx78"Lx70"W*
