CSX ELLIPTICAL CROSS-TRAINER

The Life Fitness Club Series Elliptical Cross-Trainer offers a health club level total-body cardiovascular workout. Built for comfort, it is a proven machine that offers a variety of low-impact workouts. This cross-trainer also offers a refreshed console with more options for personalized entertainment, which helps people complete more enjoyable workouts.

PERFORMANCE FEATURES

TOTAL-BODY EXERCISE

Proven Classic Stride technology produces a unique, popular motion with 18" stride length, research-based ellipse path and biomechanically correct moving arms.

OVERSIZED PEDALS

The pedal design allows users to adjust foot position comfortably and the narrow 2.8" pedal spacing minimizes lateral hip shifting, which reduces lower back stress.

HEART RATE MONITORING

Lifepulse™ digital heart rate monitoring hand sensors are conveniently placed on the easy-to-grip Ergo™ bar to provide walkers with precise heart rate monitoring, and Polar® telemetry provides runners with accurate, "hands-free" heart rate monitoring. (Telemetry requires optional chest strap.)
