

The CT800 is stout and extremely durable, weighing in at over 350 lbs. The combination of the heavy duty steel frame and aluminum console masts & side rails make it comparable to treadmills at much higher price points in the commercial market. The large workout area makes this model very appealing to walkers and runners.

FEATURES

- Bright, tri-color LED console with programming very similar to our other C series consoles
- Quick Speed and Incline keys to save time and make workouts more efficient
- Contact and wireless heart rate options to help keep clients in their safe & effective training zone
- Dual-drive motor cooling fans to protect and extend the life of the motor and control board
- Maintenance free, hard wax deck system provides hassle free use for thousands of miles
- Spacious 22"x 60" workout area to accommodate tall individuals
- Multi-ply Habasit® Commercial Belt for superior belt life
- C-safe Power and Communication capabilities for A/V control

OPTIONS SOLD SEPARATELY

CONSOLE FEATURES

As with any product, a major importance is the user interface. We focused on making everything easily accessible and comfortable: dual storage trays for beverages, keys, or phone, ergonomically friendly pulse grip posts for a more natural hand position, and a Turbo cooling fan to keep your clients cool and encourage them to workout longer.

A quick press of a button and your clients are off on a walk, a run, or one of the many specialized workouts. Our large, easy-to-read console gives them constant feedback from calories to distance to time.

Large LED Matrix Window

Tablet Friendly Reading Rack Holder

Quick Speed and Incline Buttons

Fan to keep you cool

Heart Rate % Profile

Convenient water bottle holder and cargo compartment for keys, phone, or MP3 player

Ergonomically Correct Contact Heart Rate Grips
