CSF-HRAC HALF RACK

An essential addition to clubs, the CSF-HRAC Half Rack provides athletes of all levels with the versatility to safely perform a wide range of lifts. J-Hook style bar holders and adjustable safety stops ensure safety and confidence. Plus, standard band pegs, multiple pull up grips, and 650lb dual safety catch capacity allow for even more exercises keeping users challenged and engaged.

8 storage horns allow for weight storage, keeping weights off the floor and organized. The heavy-gauge steel frame with commercial-grade components are built to last and deliver the results you want.
