

TRUE

COMMERCIAL

Premium Fitness Equipment Since 1981

True's commitment to excellence is quickly recognized in the CS200 upright bike's intuitive design. The angled seat post better accommodates users of all sizes and the handlebar design along with the dual stage drive system will give users a true road bike feel. The compact footprint will help maximize floor space in every fitness center while giving users differing workout intensity levels that suite beginners through advanced users.

CS200
