& Fit for over 25 Years!

PERFORMANCE SERIES UPRIGHT BIKE

Experience the ultimate in comfort and performance with TRUE's Performance Series Upright Bike. Ergonomic aero bars and armrests ensure maximum body control, power, and stability, allowing you to push your limits while keeping a compact footprint. Customize your ride with fore and aft seat adjustments for a truly personalized workout. With a sleek design and low step-over height, this bike is perfect for those seeking a realistic cycling experience.

FEATURES

- TRUE's HRC® Cruise Control gradually increases or decreases resistance to maintain your target heart rate.
- Quiet operation for a no-hassle home gym experience.
- Compatible with Zwift technology that allows users to virtually exercise around the world.
