OMEGA 2

OPTIONAL LEG PRESS

The Batca Omega 2 Multi-Station Gym features 2 weight stacks to accommodate 2 users. The Omega 2 is easy to use and follows the most natural exercise path while safely supporting the user. Blending the finest materials and the most cutting edge craftsmanship leads to an incredibly striking and solid machine with the smoothest of movements.

The Omega2 provides a full-body workout with ultra-smooth movement and quiet performance due to premium components and precise detailing.

Exercises include chest press, lat pull-down, swiveling high pulley, ab crunch, mid pulley, leg extension, seated leg curl, and chest-supported mid-row cable arms.

An optional leg press/calf raise is available with a 2:1 cable ratio offering 400lbs of weight resistance. The Omega2 also features an adjustable back pad for various starting points and an oversized footplate for a wide range of foot positions. The beautiful tri-tone finish of strong matte black, precise titanium silver, and elegant gloss black highlights its muscular frame structure. The Omega2 is ideal for those seeking powerful performance in a practical space.
