

ENVISION 16" TOUCHSCREEN CONSOLE

Provides users an interface with a contemporary design and intuitive framework. Exercisers can easily track their data, discover workout selections, and enjoy integrated technology and entertainment. With these options, a built-in cooling fan, and tablet holder at their fingertips, gym members will enjoy both exercising and your facility even more.

BUILT-IN WORKOUT PROGRAMS

Exercisers can choose from a variety of programs to meet their fitness and training goals.

CUSTOMIZATION

Customize the homescreen to promote your brand and deliver messages to exercisers.

ENTERTAINMENT

Users have easy access to web content, social media, and entertainment destinations.

BLUETOOTH COMPATIBLE

Syncs with Bluetooth® headphones and heart rate monitors. Polar device compatible.

APP CONNECTIVITY

Compatible with Apple® and Android™ devices, workout data is pushed to exercisers' favorite fitness apps via Wahoo RUNFIT.

ASSET TRACKING

Compatible with ECOFIT® technology to provide usage reporting and automated notifications to provide real-time management of equipment for increased profitability.

EXPLORE THE WORLD

Outside Interactive® courses allows exercisers to travel the world to famous locations and race courses. In addition, connecting to the RunSocial® app allows exercisers to combine social running with videos of running routes.
